Secret ry to the Government of
His Highness the Wodegar of Mysore,

Sir,

Subject - Payment of 30% rebate of Rs 1,000/-
to Mr. P. Krishniah, Supply Contractor

I have the honour to state that the Municipal Council
at their meeting held on 31-1-1942, while accepting the
~~several~~ ^{several} tenders for the supply of articles for the use of
Municipal bullocks, for one year from 1st February 1942 to
31st January 1943, accepted the tender of ^MBorniah & Bros.,
for supply of Horseman at Rs 8-3-0 per pulla and Rs 12/-
per ton of paddy straw. Mr. Krishniah, one of the partners
of the firm, executed the prescribed contract agreement and
supplied the horseman and paid, ^{gross} the monthly quantity
of purchase ^{being} generally 93 pullas of horseman and 12

4) 12 tons of paddy straw. The Contractor petitioned on 19-8-1942, requesting to enhance the rates, on account of the abnormal rise in the prices of the above article in the market, as a result of which he would incur a loss of Rs 3,000/= for the contract period. However, he presented the petition again on 14-10-1942, explaining the present hard circumstances and represented that under the conditions existing, they are allowed payment of surcharges calculated on the value of supplies made to the Palace.

In view of the above circumstances, the Health Officer reported that on calculation at the prevailing market rates, i.e., At Rs 16-8-0 per palla of horsegrain and Rs 18/= per ton of straw, the contractor would incur a loss of Rs 4,116/= for supplies made from August 1942 up to the end of January 1943. The petition of the contractor with the report of the Health Officer was placed before the Health Committee on 19th November 1942, when they resolved as under

"The Contractor is expected to lose about Rs 4,200/=. It is proposed that we may give him a cash rebate of Rs 1,250/="

2. Item C ~~is~~ approved of the Committee's proposal to the payment of cash rebate, in their resolution No 356, dated 28-11-1942 (Copy enclosed).

The expenditure will be met out of the anticipated savings in the lumpsum provision of Rs 17,000/- made under F 2 C (1) Maintenance of bullocks

I request you to kindly obtain sanction of Government to the payment of cash rebate to the contractor as sanctioned by the Municipal Council

I have the honour to be,

Health Officer's Note, dated 5th November 1942

Under the present market conditions, the total loss is estimated as follows -

HORSEGRAM

Month	Approximate quantity of horsegram purchased every month	Approved tender rate	Market rate	Difference	Total loss
August '42	95 Pallas	Rs 8-8-0	12-8-0	4/-	372/-
September 42	90 Pallas	-do-	-do-	-do-	360/-
October 42	93 Pallas	do	16-8-0	8/-	744/-
November 42	90 Pallas	do	do	do	720/-
December 42	93 Pallas	do	do	do	744/-
January 1943	93 Pallas	do	do	do	744/-
					<u>3684</u>

PADDY STRAW

Total quantity (approximate) to be purchased for six months from August 1942, to the end of January 1943 on an average of 12 tons per month 72 tons

Cost of 72 tons at Rs 12/- per ton being the approved tender rate Rs 864/-

Cost of 72 tons at prevailing Market Rate i.e., at Rs 18/- per ton Rs 1,296/-

Therefore the total loss, re supply of paddy straw - 1,296-864 = 432/-

Therefore the total loss expected to be incurred by the contractor will be about Rs 3684+432 = 4,116/=

This loss is really considerable

I suggest that this may be divided equally between the Municipality and the Contractor and a concession of 50 per cent of the total loss be paid to the contractor. This works out to about 122 per cent concession on the tendered rate. The loss may be met
